

Get A Life

Thought you were normal
But you're mean
You feel jealous of our glee

You're a child
Please grow up
Who the hell you think you are?

Who the hell you think you are?
You're a child
Go get a life
Get a life right now

Get a life
One of your own
Leave us alone cause you are
Such an ass
And if I were you I wouldn't dare to mess with us

Wouldn't dare to mess with us...
You're an ass
Go get a life
Get a life right now

Who the hell you think you are
You're such a child
Go get a life, get a life
A fucking life
