

Kelly

I want to be your Kelly
I want to clean your underwear
I want to wash your dishes
And make your bed
To lay down it
I want to be underpaid
Underestimated
And I want to iron all of you shirts
Don't want to be a Jenny
I want to be your Kelly

Kelly come here
Kelly do that
Kelly clean up
Kelly shut up
Kelly listen
Kelly look out
Kelly hates you
Kelly loves dad

I want to be your Kelly
And get along with your 3 kids
I want to go to the kindergarten and talk to the other mums
So they can hate me for the rest of their lives
I want to weave a Christmas sweater
And get on my knees to polish your floor
I'm gonna be a very good girl
I want to be you Kelly sir.

Kelly come here
Kelly do that
Kelly clean up
Kelly shut up
Kelly listen
Kelly look out
Kelly hates you
Kelly loves dad

Kelly loves you
Do you love her back?
