

## The Spring Parade

All you want to do is to change my mind  
All you want to do is to make me cry  
All you want to do is to break my heart  
All you want to do is to make me sad  
And all I want to do is making love to you at the Spring Parade

You're the kind of guy who kills my time  
You're the kind of guy who makes it fast  
You're the kind of guy who needs a pet  
And I'm the kind of girl who a rest  
Cause all I want to do is making love to you at the Spring Parade  
Yeah all I want to do is making love to you at the Spring Parade

I'm gonna take you out of your shell  
I'm gonna make you see what it takes  
I'm gonna teach you how to behave  
I'm gonna warn you, careful with me!

And you will tell your mama and your pa that I'm going nuts  
But all I want to do is making love to you at the Spring Parade  
And you will tell your neighbors and your friends that I'm a freak  
And all I want to do is making love to you at the Spring Parade

All you want to do is to hang with pals  
All you want to do is to have some fun  
All you want to do is to kick me out  
All you want to do is to drive me mad  
And all I want to do is making love to you at the Spring Parade  
Yeah all I want to do is making love to you at the Spring Parade

I'm gonna take you out of your shell  
I'm gonna make you see what it takes  
I'm gonna teach you how to behave  
I'm gonna warn you, careful with me!

And you will tell your mama and your pa that I'm going nuts  
But all I want to do is making love to you at the Spring Parade  
And you will tell your neighbors and your friends that I'm a freak  
And all I want to do is making love to you at the Spring Parade
