

## **You're not here**

Today's the day when I decide to wake up from my dreams  
And it's so hard to deal with it  
No hopes, no expectations  
Nothing left to keep  
But my own heart to heal

Today I realized that there's a hole cause you're not here  
And everything seems stupid, an absurd, a tragedy...  
And I don't understand why it's so hard getting over you  
You hurt me then and I just cannot stop thinking of you...

And I don't understand...  
And I don't understand...

I wonder if you're feeling the same way that I feel now  
It's not a good idea to share with you my thoughts  
Cause I cannot count on you I think I never really could  
What am I doing here just singing songs written for you?

And I don't understand...  
And I don't understand...

Today's the day when I decide to wake up from my dreams  
And it's so hard to deal with it
